WHY YOUR LEADERSHIP MATTERS

Some things to consider...

Dr Troy Hendrickson
Director, Master of Business Leadership Program
Curtin Graduate School of Business
How clear are we about what leadership is??

“Leadership is one of the most observed and least understood phenomena on earth.” J.M. Burns
What is the responsibility that **YOU** have??
How will you be a part of the **solutions** and not simply part of the problems??
WE are the leaders that we have been waiting for; WE are the change that we want to see happen.

As Ghandi said....
Leadership is about connecting with PEOPLE and empowering them!!
Sometimes we need to “THINK” differently
“The same level of thinking that has created the problem(s) will not be the level of thinking that will help solve the problem(s)”

Albert Einstein
Live in the present, **plan** for the Future...
Four Leadership “Lessons” for your consideration...
So In Summary...

Four Lessons of Leadership...

- Learn
- Inspire
- Focus
- Engage

We make a living by what we get, we make a LIFE by what we give!!
SUCCESS is when I add value to myself...

SIGNIFICANCE is when I add value to others!!
Yes...Leadership does require Resilience and Courage
BUT DON’T FORGET TO HAVE FUN AND ENJOY THE RIDE!
We are the leaders that we have been waiting for; we are the change that we want to see happen.

And remember....
Good Luck!!
