

W.S Lonnie Award Winners

The WS Lonnie Memorial Trophy

■ Main Roads Western Australia

Judges Comments – *The winner of this award departed markedly from normal approaches to reporting on performance. Not satisfied with demonstrating compliance with Public Sector Commission annual reporting guidelines, this agency benchmarked its reporting practices against the international Global Reporting Framework. This is clearly a bold step forward in public accountability in the WA public sector.*

Specialist Awards

Office of the Auditor General Award for Transparency & Accountability

■ **Department of Education Services**

The Department of Education Services 2009 Annual Report combined the relevant attributes of transparency, logical layout which facilitated ease of comprehension, appropriate and effective use of charts/tables to convey relevant messages effectively and efficiently, as well as meeting the challenge of providing full disclosure in a concise manner. This was evident throughout the Annual Report from a good punchy Executive Summary, use of two colour schemes, tables/charts and borders to draw ones eye to the key issues/messages and the use of plain English to convey the messages while at the same time ensuring all required disclosures were met.

State Records Commission Award for Excellence in Compliance Reporting

■ **Fremantle Ports**

The Fremantle Port Authority's report provides an impressive overview of activities to raise awareness of recordkeeping throughout the organization. The Fremantle Port Authority has described ongoing initiatives to review and improve records management processes, as well as provide training and guidance to ensure both new and existing employees understand their recordkeeping responsibilities.

In implementing these outstanding initiatives, the Fremantle Port Authority has demonstrated a solid commitment to good business practices through best practice recordkeeping.
